HYPER DIMENSION nEPTUNIA Re;Birth2™ SISTERS GENERATION

INSTRUCTION MANUAL

WARNING: PHOTOREACTIVITY / EPILEPSY / SEIZURES

A very small percentage of individuals may experience epileptic seizures or blackouts when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or when playing video games may trigger epileptic seizures or blackouts in these individuals. These conditions may trigger previously undetected epileptic symptoms or seizures in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition or has had seizures of any kind, consult your doctor before playing.

IMMEDIATELY DISCONTINUE use and consult your doctor before resuming gameplay if you or your child experience any of the following health problems or symptoms:

- dizziness
- eye or muscle twitches
- disorientation
- any involuntary movement
- altered vision
- loss of awareness
- seizures or convulsion.

RESUME GAMEPLAY ONLY ON APPROVAL OF YOUR DOCTOR.

Use and handling of video games to reduce the likelihood of a seizure

- Use in a well-lit area and keep as far a way as possible from the screen.
- Avoid prolonged use of the PlayStation®Vita system.
Take a 15-minute break during each hour of play.
- Avoid playing when you are tired or need sleep.

Stop using the system immediately if you experience any of the following symptoms: lightheadedness, nausea, or a sensation similar to motion sickness; discomfort or pain in the eyes, ears, hands, arms, or any other part of the body. If the condition persists, consult a doctor.

PLAYSTATION®VITA CARD PRECAUTIONS

- Keep the PS Vita game card out of the reach of small children to help prevent accidental swallowing.
- This game card is for use only with the PlayStation®Vita system. Use of this game card with other devices may damage the device or the game card.
- Do not touch the game card terminals with your hands or with metal objects.
- Do not allow the game card to come into contact with liquids. Do not bend or drop the game card or otherwise expose it to strong physical impact.
- Never disassemble or modify the game card.

PLAYSTATION®VITA CARD PRECAUTIONS

Do not use or store the game card in the following locations or under the following conditions:

- In a car with the windows closed (particularly in summer)/in direct sunlight/near heat sources
- In high humidity or corrosive environments.
- Be sure to insert the game card in the proper orientation.

The data on the game card may be lost or corrupted in the following situations:

- If the game card is removed from the system or if the system power is turned off while data is being read from or written to the game card.
- If the game card is used where it can be affected by static electricity or electrical noise.

If, for any reason, data loss or corruption occurs, it is not possible to recover the data. Backing up data regularly is recommended. Sony Computer Entertainment Inc. and its subsidiaries and affiliates will not be held liable for any damages or injury in the case of data loss or corruption.

GAME CARD FCC NOTICE - PART 1

This device complies with Part 15 of the FCC Rules.

Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
 - (2) this device must accept any interference received,
including interference that may cause undesired operation
-
- This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

GAME CARD FCC NOTICE - PART 2

- However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

You are cautioned that any changes or modifications not expressly approved in this manual could void your authority to operate this equipment.

This Class B digital apparatus complies with Canadian ICES-003.

Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.

To All Our Valued Customers,

Thank you very much for your purchase of Hyperdimension Neptunia Re;Birth2! Please read the instructions included for a bit of Gamindustri news, an overview of the controls, and a brief introduction to the game's features. We hope you enjoy the game!

STORY

STORY

20XX-

Gamindustri faces a dire crisis.

Shops are boarded up, creators are overworked and starving, and death looms over all Gamindustrimen.

But the CPUs refuse to let this be game over for their world!

Gamindustri had severed its ties to the chaotic Lawless Realm long ago, and yet... Ever since the advent of ASIC-the Arfoire Syndicate of International Crime-morality has all but vanished.

As much as 80 percent of all students are rumored to worship a being known as Arfoire. Parents, despite knowing it to be a poor deity to worship, have gone ahead and allowed their children to do so. Even the governing bodies of the world have turned a blind eye to it, rather than crush the crisis in its infancy. Well, basically, Gamindustri was pretty messed up, you guys.

Ahem. Thus did Gamindustri fall into complete and utter disarray. Those who tire of living in this corrupt world are sent to wander the Gamindustri Graveyard, forever lost.

CHARACTERS

CHARACTERS

Nepgear

Nepgear is Neptune's CPU Candidate, and Neo-ptune's younger sister. Much unlike Neptune, Nepgear is an honest, diligent, and well-rounded girl-next-door.

Uni

Unis-Lastation's CPU Candidate. She is a hard-working girl with a major sister-complex. Through relentless studying and training, she does all she can to try and measure up to Noire. Also a tsundere at training.

Ram

Lover's CPU Candidate. She is twin-sister with Rom. Ram seems to have inherited the loud side of Blaze, but she's not quite as loud as her big sister...

Rom

Lover's CPU Candidate. She is twin-sister with Ram. Rom seems to have inherited the quiet side of Blaze, but sometimes, she's a bit too quiet to even hear...
